Federal Laboratory Consortium  
for Technology Transfer

# MISSION, VISION, VALUES

## MISSION

---

To support federal laboratories in maximizing the impact of technology transfer for the benefit of the United States.

## VISION

---

To be the go-to resource and voice for federal technology transfer.

## CORE VALUES

---

**Collaboration:** We foster a collaborative environment and seek partners who are aligned with our mission.

**Excellence:** We practice excellence in everything we do.

**Integrity:** We uphold the highest standards of ethical behavior and transparency.

# THE STRATEGIC FOCUS

## **GOAL 1: FLC delivers comprehensive education for federal technology transfer.**

---

### **Objectives:**

- Increase content to satisfy the various T2 career pathways.
- Increase awareness of educational offerings to FLC stakeholders.
- Elevate the prestige of the T2 profession.

## **GOAL 2: FLC is the leader in communicating federal technology transfer opportunities and successes.**

---

### **Objectives:**

- Increase the reach and engagement with FLC stakeholders through targeted communications.
- Increase the understanding of federal technology transfer and its value to the U.S.
- Develop communication offerings that are inclusive of diverse and relevant audiences.

## **GOAL 3: FLC provides an access point to connect federal labs and external partners.**

---

### **Objectives:**

- Increase the number of federal labs actively engaged and participating with FLC partnering initiatives.
- Enhance stakeholder experience to create opportunities for federal and non-federal stakeholders to collaborate.
- Increase the number of external stakeholders engaged with FLC partnering initiatives.
