FLC Updates

- **Tomorrow!** Dive into our August 16 Lab Showcase focused on The University of Southern Mississippi's [Roger F. Wicker Center for Ocean Enterprise](#).
- **New!** Join us on August 21 for a webinar where you'll learn how [CLP or CLP-A credentials](#) can help boost your career.
- Meet the [NIST Communication Technology Laboratory](#) at the August 22 Lab Showcase.
- **Submit by August 25!** Your commercialized technologies can star in the [home, airport or hospital editions](#) of LabTech in Your Life.
- Register now for the FLC-AUTM [Animal Health Partnering Forum](#), August 29-30 in Kansas City.
- The [Call for Topics](#) has launched for the 2024 National Meeting. Suggest a session worthy of the FLC's 50th Anniversary!
- Submissions are open for the [2024 FLC Awards](#). Check out the two new categories!

Tech Transfer Stars

Vladimir Popov's Diverse Professional Experiences Inspire Unconventional T2 Solutions

Before arriving at the Frederick National Laboratory for Cancer Research, where he is now Chief Innovation Officer, Vladimir Popov's career included stints in research, entrepreneurship and hospital management. Learn how those experiences have helped him find creative solutions to technology transfer challenges— including an FLC initiative that pairs entrepreneurial MBA students with federal labs.

FLC Photo of the Week

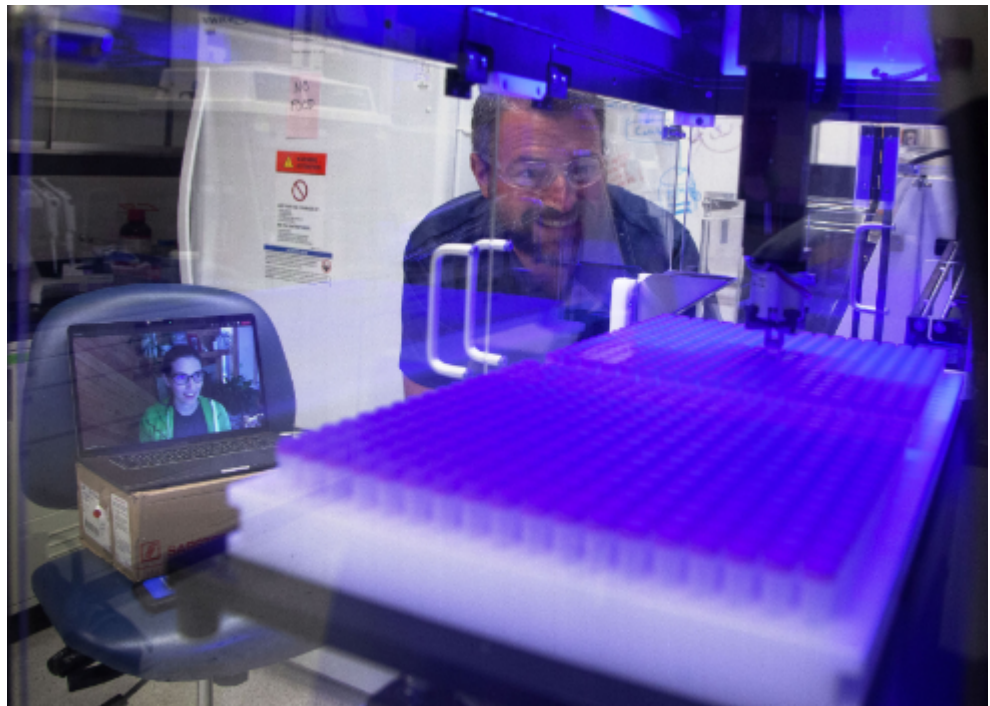

[National Institute of Standards and Technology: Gene Fragments for Virus Detection](#)

NIST scientists watch as a laboratory robot fills vials with a testing material containing gene fragments from the monkeypox virus. This material, made free to testing labs worldwide, helped ensure the accuracy of diagnostic tests for detecting the virus.

The Photo of the Week visually showcases the exciting work federal labs do every day!

Collaborator News

MCEDC Shares Positive Economic News, Acknowledging Federal Agencies as Key

The Montgomery County Economic Development Corporation (MCEDC), an FLC Partner, shared positive economic news in an announcement last week that mentioned federal agencies as key regional business drivers. Montgomery County's 1.5% unemployment rate in June was the lowest since 1990 and significantly lower than the national average of 3.8%.
