FLC Updates

- Take a deep dive into [Uncrewed Underwater Technologies](#) at the next Lab Showcase on April 20 at 2 p.m. ET.
- Join the FLC, AUTM and the USPTO at the [Green Energy Innovation Expo](#), May 17 in Alexandria, VA.
- Take the online course, [Introduction to Patents](#), any time, anywhere!

Election Results

Hastings is Second Consecutive Woman Elected FLC Chair

Whitney Hastings, a Senior Technology Transfer Manager at the National Cancer Institute, has been elected to succeed Linda Burger of the National Security Agency as Chair of the FLC Executive Board. It is the first time in the organization's history that female Chairs have been chosen in consecutive elections. Election results for the Chair position and seven others were announced in late March at the FLC National Meeting.

Federal T2 at Work

[JILA's Frequency Comb Breathalyzer Detects COVID-19 with Excellent Accuracy](#)

A breathalyzer for disease detection developed at JILA, a lab jointly operated by the National Institute of Standards and Technology and the University of Colorado Boulder, demonstrated excellent accuracy for diagnosing COVID-19 infection in its first real-world test. The device combines the lab's Nobel Prize-winning frequency-comb technology with machine learning.
