T2 Stars

T2 Stars: [Meet Kristen Burby: Driven by Determination](#)

[and Armed with a Diverse Skill Set](#)

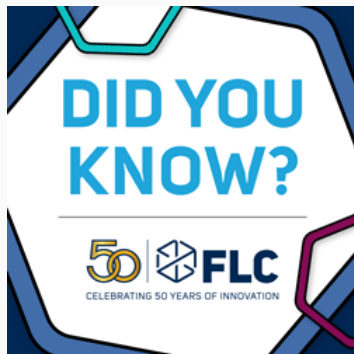

T2 Stars highlights people who are making a difference and leaving their mark on the federal tech transfer community. With a background in environmental science and law, Kristen Burby's technical knowledge and negotiation prowess are valuable tools as a licensing executive at Sandia National Laboratories.

The FLC Podcast is Available Now!

Tune in to the FLC's brand-new podcast: ***The Transfer Files: Inside the World of Federal Innovation***. In the debut episode, FLC Executive Director Paul Zielinski dives into T2 history and discusses how the FLC is celebrating its golden anniversary. [Listen here.](#)

Did You Know?

1989: National Competitiveness Technology Transfer Act

In 1989, the National Competitiveness Technology Transfer Act amended the Stevenson-Wydler Act to allow government-owned, contractor-operated (GOCO) laboratories to enter into CRADAs and limited exemption for CRADA information from disclosure to third parties. *Send in your FLC history [here](#).*
